S. E. BEACH RE-ELECTED CAPITAL CITY LEADER

Four Clubs in Circuit, Season Starting May 3—Cornell and Bankers in Opening Game—Joe Handiboe Selected as Umpire.

By C. W. SWAN.

S. Edward Beach, who so ably governed the Capital City League last sea son, was re-elected president of that circuit at a meeting of that league, held at the American Security and Trust Comjany. Boss Blosser was re-elected vice president, and John L. Fugitt, of the American Security and Trust Company,

secretary and treasurer.

Mr. Beach has been one of the most prominent of amateur baseball officials. He has always put up a game fight for the right, and has never been known to back water. The first man to present the idea of limiting a player to one man the idea of limiting a player to one man.

Mr. Beach has completely changed amateur baseball in the District, and all for the best. The present association and board of centrol is his pet scheme, and it is one which wall be a great benefit to amateur baseball, and players.

Ross Blosser is too well known to need an introduction. Ross has been connected with the Capital City League so long he is a landmark at North Capitol and L Streets, and without him, there would

The league appointed Joe Handiboo who handled the games in the R. R. Y. M. C. A. League for the past sea-son, the official umpire. Handiboe is one of the most popular umpires around town, and is sure to give entire satis-faction. He knows the game, and runs the contests with a speed which is pleas-

The part will be completely overhauled and President Beach stated last nigh that the grounds would be the best the league has ever had. A new fence will be erected, and the grand stands fixed. A new stand will more than likely be built along the third base line, and several other improvements made.

Bankers vs. Cornell.

Four clubs will comprise the circuit, namely, Bankers, Cornell, Southland, and Waverly. As it is impossible to get two other teams in the District as strong as these outfits willing to enter the circuit. President Beach stated last night that the circuit would be a four-club one, and that unless two other teams made appli-cation within a few days, the season would start with the four teams.

The first game will be played May 2, with the Bankers meeting the Cornell Tigers. The Bankers are, perhaps, one of the most popular teams in Washing-

it is believed Cobb and Navin, through letters and telegrams exchanged in the est thirty-six hours, have reached a tentative agreement, which will result Thursday in Cobb signing a 1913 con-tract that will call for a straight salary of \$12,000, Navin's original offer, and bonuses which if carned, will net Cobb the \$15,000 he has demanded.
